Join the Polypipe Underfloor Heating Registered  
Installer Network and get £1,500 of benefits.

Polypipe Underfloor Heating has been accredited with the  
Good Housekeeping Reader Recommended endorsement

With benefits from professional training to marketing support, the Polypipe Underfloor Heating Registered Installer Network is a great way to grow your business. We'll give you everything you need to get started and even provide you qualified leads for new customers.

#### Business leads

You'll benefit from qualified leads generated through our national consumer advertising campaign.

#### Marketing support

Your marketing toolkit will give you everything you need to grow your business. It includes a website, van livery, advertising, branded workwear, consumer leaflets and more.

#### Training at your fingertips

You'll receive full BPEC accreditation through our new dedicated training facility, the Polypipe Professional Development Centre. Be one of the first installers to benefit from all this facility has to offer, and grow your business in one of the fastest growing sectors of the heating market.

#### Design

Our in-house team of design engineers take the hassle out of planning your projects, helping with all the required calculations and specifications so you can get on with the job.

#### Exclusive quoting tool

You will be able to provide your customers with quotes quickly and easily with our specially designed online tool.

#### Technical support

As a member of the Registered Installer Network you'll have your own dedicated Heating Manager who will work with you to ensure all your jobs run as smoothly as possible.
