

WE ARE HIRING

POLYPIPE BUILDING SERVICES,
NEW HYTHE BUSINESS PARK
AYLESFORD, ME20 7PJ

ENGINEERING VACANCY

Multi-skilled Maintenance Engineer (Shift)

We currently have a vacancy for a Multi-Skilled Maintenance Engineer in the Engineering Department at our Aylesford site.

The successful candidate will be responsible for maintaining and improving our Injection Moulding, Extrusion and Mixing equipment as well as other associated plant.

Hours of work:

The position operates on a rotating day/night shift basis, working an average of 40 hours per week, 12 hours per shift, across Monday to Friday.

Key Accountabilities:

To be successful you will have:

- The experience of working within an industrial manufacturing environment (essential)
- The experience and skills of working with electrical, pneumatic, and PLC controlled systems (essential)
- A working knowledge of hydraulics (advantage)
- Problem solving and diagnostic skills for any breakdowns and planned maintenance.

APPLY NOW!

If you think you are the perfect fit for the role, please send your application by email, with a current CV to:
