ASSEMBLY VACANCY

Join us:

We currently have a vacancy for a Bagging Operator within our Assembly Department.

Hours of work:

The hours of this role are 3 shift (6 am – 2 pm, 10 pm – 6am and 2 pm – 10pm)
Monday – Friday – 40 hours per week

Key Accountabilities:

The successful operator will ensure that quality products are bagged on the Bagging Machine as per programme of work in a timely and cost-effective manner, as well as perform visual quality inspection, booking and transfer of components parts and finished product.

To be successful you will:

The ideal candidate will be reliable, have an excellent timekeeping / attendance record, and be capable of working within a high demand manufacturing environment where it is essential that output standards are met. The successful candidate will have the ability to operate Bagging Machine or any other machinery /equipment in a safe manner as per training provided.

Previous experience of working within a manufacturing environment and ability to use MHE would be an advantage, however training will of course be provided where required.

APPLY NOW!

If you think you are the perfect fit for the role, please send your application by email, with a current CV to :
