AYLESFORD, ME20 7PJ

Site HSE Advisor

Join us:

Are you seeking an opportunity with a business that puts your Health & Safety first? Our Aylesford site is currently recruiting for a Health, Safety and Environmental Advisor.

The individual will be responsible in conjunction with the Site HSE Manager, for improving the HSE culture, implementing Group HSE policies, managing HSE systems, driving behavioural change and improving employee competence.

Hours of work:

Monday to Thursday, 8am – 5pm
Friday, 8.30am – 3pm

APPLY NOW!

If you think you are the perfect fit for the role, please send your application by email, with a current CV to:

Kevin Rose
Site Health, Safety and Environmental Manager
kevin.rose@polypipe.com

Key Accountabilities:

- Responsible for understanding the main requirements of the health and safety and environmental and legislation applicable to the company.
- Support the Site Management Team in fulfilling their responsibilities for HSE on site: advise and assist, as necessary.
- Joint investigation of accidents/incidents with line management and employees.
- Advance and promote a health and safety culture and in the workplace.
- Organise and develop HSE projects, in line with Group Policy and Key Performance indicators.

To be successful you will have:

- Ability to lead and drive change and improvements
- Ability to work on own initiative
- Full driving licence.
- Computer Literate – Good Knowledge of Microsoft Office
- Possess the initiative to develop the role with a passionate approach
- Excellent interpersonal and communication skills
- Qualified to NEBOSH Certificate (NEBOSH Diploma Part II level or equivalent preferred)
