

STANDARD RIDGIDRAIN PIPE DIAMETERS AVAILABLE

Scale (1:15)

NOMINAL DIMENSIONS

Pipe I.D.	Pipe O.D.
100	118
150	178
225	267
300	355
375	435
400	458
450	523
500	576
600	700

RIDGIDRAIN PLAIN ENDED PIPES AVAILABLE Ø100mm - Ø600mm

Scale (1:40)

RIDGIDRAIN INTEGRALLY SOCKETED PIPES AVAILABLE Ø400mm - Ø600mm

Scale (1:40)

NOTE:

Ridgidrain is available either as a carrier, half perforated or fully perforated for all diameters..

If further information is required please contact the Technical Team: 01509 615100

NOTES

- All dimensions in millimetres, unless otherwise stated.
- All dimensions are nominal and may vary within manufacturing or construction tolerances.
- All site temporary and enabling works by others.
- Ridgidrain units to be installed in accordance with Polypipe Civils recommendations (refer to Polypipe technical guidance for further information); giving due consideration to the requirements of the organisation who will be taking ultimate ownership of the installation.
- Dimensions are based on a minimum stiffness class SN6 pipe; corresponding to the standardised pipe profiles current at the time of this drawing's issue.
- This drawing is intended for guidance only. Confirmation of the information contained within this document should be sought from the consulting engineers before final design or construction activities commence.
- Unless otherwise stated, all Ridgidrain is supplied to site without direct means of lifting incorporated. The lift supervisor must assess and plan the lift, in the circumstances of the lift, and provide slings and/or other controls as deemed necessary to ensure a safe lift.
- Minimum and maximum cover depths applicable, dictated by the expected native ground conditions, trafficking and proposed Ridgidrain pipe specification.

The information in this document is of an illustrative nature and is supplied by Polypipe Civils without charge. This document does not form the whole or any part of a contract or intended contract with the user. The information within this document should not be solely relied upon to determine the suitability or installation requirements of our products for a proposed application and expected site conditions: expert advice should be sought in this respect. Final determination of the suitability of any information or material for the use contemplated and the manner of use is the sole responsibility of the user and the user must assume all risk and liability in connection therewith. Further information with regard to liabilities may be found at www.polypipe.com/discclaimer.
